

Building Brighter Futures!

Is your child...
Overwhelmed by emotions?
Unusually sad or angry?
Struggling to make friends?
Having trouble in school?
Running your household?
Draining your energy?

We can help you!

In-home counseling services can help improve your situation.

Our services can offer assistance with:

- Communication issues.
- Grief and loss.
- Adolescent behaviors.
- Creating positive friendships.
- Finding good daycare / after school child care.
- Getting your child to school consistently and on time.
- Anger management.

Education Offered Concerning:

- Your child's development.
- Benefits of positive parenting.
- Individualized Education Plans (IEP).
- Community resources that your family may need.
- The impact of domestic violence on the family.

**Service provided to
Medicaid and FAMIS
recipients who qualify!**

**Call (804) 762-8716 or visit
www.wesupportfamilies.com
